# LAND MATCHING: THE BIG CONVERSATION

**Come and join the first conference of its kind, opening up and discussing the merits and challenges of land matching.**

**We are bringing together a range of industry experts and the land matching services for England, Northern Ireland and Wales.**

- **Who is this conference for?**
  Land owners, land entrepreneurs and professionals serving the farming industry.
- **How does it work?**
  Learn about our joint ventures approach, legal frameworks, finance inc. taxation.
- **What are the benefits for individuals & farming as a whole?**
  Find out how this helps get new farming businesses started, aids business diversification, and can be used as part of succession planning.

**Speakers to include:**

Professor Matt Lobley - Exeter University
Kate Russell - CAAV & Rob Hitch - Dodds Accountants

**8th November 2017**
**10.00 am - 3.30 pm**
Chatsworth, Bakewell, Derbyshire, DE45 1PP
