

## Established pedigree beef/sheep farm in Shropshire AONB seeks potential partner

- 50 ha organic hill farm in AONB on Welsh borders with pedigree Hereford suckler cows and Clun ewes and exceptional conservation interest offers opportunity for a skilled stock person to become involved in the day-to-day running and management of farm business.
- The partner should have practical and managerial skills in livestock farming, an ability to be responsible for farm administration, and have a real commitment to organic farming and wildlife conservation.
- There are various possible arrangements between a partner or share farmer and the owners, including a range of ownership options for the livestock.
- Prospect to develop additional opportunities for direct marketing locally may be available.
- Accommodation will be available if required.

If you are interested in the opportunity on offer you will be required to register your interest via our registration form and become a member of our Land Partnerships Service in order for us to ensure we are correctly matching our clients. Please get in touch and we will be happy to talk through our registration process with you.
